

## Emily Ann Fish

January 3, 1986 - August 5, 2020

Emily Ann Fish, age 34, died on August 5th, 2020.

Emily was the loving daughter of John and Theresa Marie Fish III. She was the beloved sister of John IV (Diana), Katherine (Jude) Shaw, Nicole, Joseph (Jamie), and Matthew (Laura). Emily loved being the aunt of Hailey, Mason, Aubree, Kendall, Morgan, Penelope, Emma, and Harper. They gave her great joy. Emily was also greatly loved by her grandmother, Mary Fish, all her aunts, uncles, cousins, and friends.

In 2010, Emily was diagnosed with Crohn's disease. Throughout the last 10 years, she suffered through numerous surgeries, infusions, experimental treatments for the Crohn's symptoms, a lupus diagnosis, tremors, ongoing pain, and an enlarged heart. In spite of all the physical issues, she never quit, continuing to work towards her goals. She was a musician, make up artist, excelled doing hair, and had a beautiful voice.

Emily loved her family. She had compassion for, and comforted others she knew with chronic physical ailments. No one truly understood how she suffered.

She is suffering no more.

“

I enjoyed my many conversations with Emily at the gas station over the past ten years. She was a lovely young lady. Although she faced many challenges in her young life, she always made it a point to ask me how I was doing. I will miss those visits. May our Lord grant Eternal Peace onto Emily and may Perpetual Light shine upon her.

“ My heart breaks for Emily's family and friends...especially her "liffer" Sarah Rinna. Through Sarah I was able to know Emily who helped me through a difficult diagnosis. She was always so eager to help me in any way she could with advice and encouraging words. I know her faith and trust was in God and it helps to know that she is now safely in His arms. Patty Burns
