

Ethel L. "Mary Ann" MacDonald

November 16, 1927 - April 8, 2020

Ethel Loretta MacDonald "Mary Ann". Age 92. Mary Ann passed away on Wednesday, April 8, 2020. Wife of the late William James MacDonald. Loving mother of Kathy (Frank) Puentes, Lorri MacDonald and the late Bill (Kristi) MacDonald. Cherished grandma of Brad (Sandy) MacDonald. Great grandma of Anderson MacDonald.

Dearest sister of Roger (Kathy) Huie, Tawndra Huie and the late Jeanette Desert. Dear aunt of Aaron (Heather) Huie. Great-Aunt of Emmett Huie.

Ethel, known to most as Mary Ann, enjoyed dinner with her friends, working jigsaw puzzles, and spending time with her family, especially her new great-grandson, Anderson. Ethel also had an eye for fashion and interior design. As a young woman, she was an accomplished seamstress. She had a flair for life and, many have referred to her fondly as a 'force of nature'.

There will be a Memorial Service in the future. Please feel free to leave a condolence or share a story on Mary Ann's Tribute Wall.

“ I am so sorry to hear about dearest Ethel. I remember the first time I met her. She was my dearest friend Kathy's mother. I remember thinking how young and vibrant she was to be one of my friends mother. I remember when her and Mimi wanted to go to see Marlon Brando in *The Last Tango In Paris* so Kathy and I went with. Oh Lord we got more then we bargained for but oh how we laughed afterwards. Through the years Ethel was a great mentor and friend who unselfishly helped me out many times. I will always have fond memories of a gracious lady who always made me feel welcomed and never failed to make me laugh. God Bless you my friend.

“ My heartfelt sympathy goes out to the MacDonald family and extended family and friends on the loss of Ethel. She was very dear to me. I hung with with in bad times and good times. We worked garage sales, consignments stores, dinners, lunch and where ever she wanted me to go with her. We did a lot for years, celebrating Christmas Eve at her house and Kathy and Frank's house too, and times with my kids. She loved my grandkids. So happy Ethel has one of her own now and got to hold and enjoy him before this world took a turn and also took Ethel. So sad she had to pass in the manor and ways and conditions of the world now. Very hard and very sad. But she will always be remembered and we will share and celebrate those times in the near future. You are missed Ethel. Love, Joyce Rest In Peace..

“ *My Dear Aunt Ethel,
Lover of life and laughter. So many fond memories of hearty laughter coming from our living room as you and Red entertained my mom and Dick by sharing your banter with them over drinks and music. I will never, never forget you.
Love, Keith*

“ *Mrs. MacDonald was a wonderful person. Who else would let a bunch of crazy high schoolers build their Homecoming floats on her driveway 4 years in a row? The MHS Class of 67 is going to miss you Mrs. Mac. Rest In Peace.*

“ *Met her first when she was ushering at the DSO. She looked so lovely and stylish. I loved her cultural passions and unbelievable energy. Condolences to her family, especially her daughters who did so very much to help her enjoy a rich later life.*
