“ So sorry to hear of your loss, your mom was a great lady! I always remember the wonderful times going to Camp Dearborn and cooking breakfast in the morning and swimming all day. Can't forget all the wonderful bake goods that were always in the oven. She always kept us all well fed and with a smile too!

Prayers heading your way,  
Sonia

“ Paulette, Sorry for your loss, and understand that she is at Peace now. I am very grateful that you let me know. I have some good memories of my sweet Aunt - especially appreciate that my daughter was able to meet her and get wonderful stories from your Mom about my mother. It meant a lot to me and my daughter. I am sorry, I am just home for a few hours checking up on bills and email- have to run back to the hospital to be with my wife who just had emergency abdominal surgery (she is doing well). Again, very sorry, but I will have your Mom in my heart the rest of the day, I am sure. God Bless you and your family. Love, cousin, Terry
