“ Aunt Mary, I am grateful for the times we were able to get together. You have and always will be an important part of my life. I am truly happy we were able to talk and share with one another about the earlier years of my dad. My deepest regret is the time that was taken from us. I will always cherish our time together.

With a heavy heart

“ Will always remember spending many a 4th of Julys at Aunt Mary and Uncle Larry's house as a kid. Lots of family, food, fireworks and shuffle board in the drive way.

“ I want to extend my deepest sympathy to Larry, David, Teasha and the entire Sanchez and Skluzak family on Mary's passing.
Our lives came together when my sister Lydia married Larry. Mary immediately welcomed me and made me feel like part of the family.
A story that comes to mind is the time Mary took Lydia and myself to the Salvation Army. I spotted a set of dishes; but hesitated and didn't buy them. I mentioned I was sorry I didn't get them and Mary, without my asking, went back to get it for me; but they were gone. That is how I remember Mary. She was always so thoughtful and kind to me and my dog Maggie.
Circumstances are preventing me from being at the service in person on Friday as you celebrate Mary's life. Please know that I will be with you in spirit and keeping all of you in my thoughts and prayers.

“ Mom, thank you for giving us the opportunity to be together for the last 2 1/2 years. we both learned from each other. bringing us closer together. I hope to always have your strength, courage, and determination to go on each and every day. Life is a challenge and you showed me that anything you want in life is possible as long as you keep the faith and always pray to the Lord above. I will truly miss you. Love your daughter & Porsha too!
