“ I'll never forget when Gummy and Gumpy would babysit Jillian, Ron and I when we were little. We always had so much fun together. Hoping he's at peace with Gumpy and Julie looking down on our family. Prayers for Aunt Jan, gummy and the rest of our family. Aunt Jan has Ron and Julie as her guardian angels now, may she find peace and comfort. ❤️

“ 12 years of memories it's hard to share just one. three of my most favorite memories is when we brought our precious children into the world, every time I was a nervous wreck you brought me comfort. The kids were your life. Our hearts are broken and I don't know if they will ever be repaired, this is going to be the toughest battle I've ever had to go through, please be with me.. please watch over and protect our children and just know rest assured, that Mama's got them.. until we meet again, may you rest in peace. ❤️

“ Ron you were such an amazingly sweet guy that literally filled my heart with love just like everyone else that knew you ♡ one favorite memory is impossible to pick thats how great you are and were. Hearing from you and seeing you smile made my day sometime it made my week !! Nerf gun wars and long talks though that ended with a hug that would be some of my favorites. You'll forever be missed and my condolences will be with the great people and precious children you left behind. Watch over them dearly. Rest in peace Ron
