“ Katie, I'm so sorry to about Tommy, I heard about it from a email I got from the class reunion information, and just clicked on the "In Memory" because I 'm going to go to the reunion, that's how I found out I was deceased since 2014, and I'm not a big classmate information type person since I'm still in Fl., but when I saw that I was DEAD I had to get that fixed. If you have my address still send me a letter and I will keep in touch with you and we will have to get together in Aug. I remember Tommy would buy all these concert tickets and then sell them to his friends, I have to admit they were always good seats!!!!, and remember when we'd sneaked out of the house and stole Tommy's car once and it broke down on us, we sure didn't get far, do you remember where we were gonna go?? Again I am so sorry to hear about Tommy, Take care and hope to see you next Aug.

“ Know I weep with you, my brothers and sisters
Today our Brother Brogan Passed from this world. God rest his soul IRONWOLF!!!!
Osric.....

Grief, a sound to challenge all others.
Echoed hollow through the night.
Warriors in the sky harmonize with the
stars that seem to burn so bright.

Sweet maple, oak, and pine surrounds,
the heart-broken Ironwolf,
as it howls to the night, its endless grief.
Cool rain washes away tears from its
sorrow filled face.

"Hush Hush", the wind gently whispers
and for a moment, all is still.
But the moment is too soon gone
and once again returns the loss and chill.

The wolf howls once more
and all who hear paused and listened
to the mournful shriek of a creature whose
pain seems to never lessen.

Not alone he stands in deep blue shadows.
With him stands his pack together in sorrow.
He is not wanting to be seen.
but need to be herd.

The moon listened to this pain
and thought it very strong so,
Luna shifted her moonlight gaze toward the wolf
and inspired it to sing loudly it's sorrowful song.

It howled a sound that broke all chills
and no brave creature dared to challenge its skills.
It harmonized with stars and waltzed with warriors
and broke whispers of winds that tried to ignore him. Osric...
